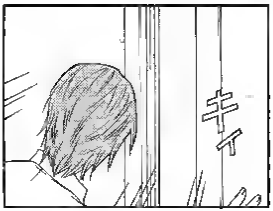
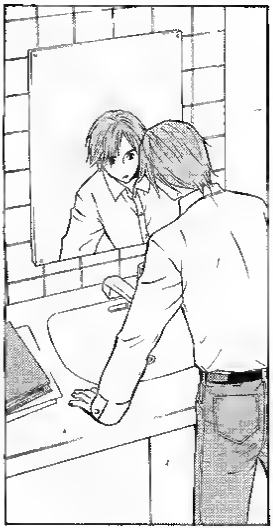
According to the police headquarters, the remains appear to belong to President Yamashina Kazuo-san, who lived there.
Yamashina-san died of blood loss while his hands and feet were tied.
The inside of the house has been ransacked.
The police headquarters plan to pursue the investigation as one of robbery-murder.

Next on the news.

Eh?
Three people from the same family have been massacred in Itabashi.
They just reported it.
Even two children were killed.
This morning, the corpse of a man was discovered in the house of a company president in Suginami-ku.
It's scary.
The perpetrator hasn't been apprehended yet.

Oh my?
Shiki-sensei?



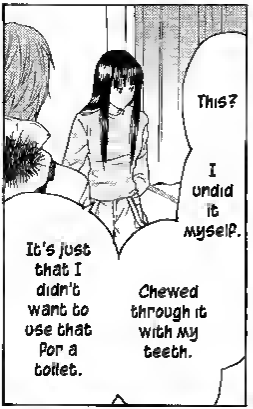


Ugh.
It's real.
BUEHHH
Huh?
Where's Shiki-sensei?
Are you from class 2?
Shiki-sensei wasn't feeling well, so he went home
He said he was sorry.
Ehhh...
He asked if it's alright to do it tomorrow?
I have to get home.

It was all real.
It was real.
Ah, Ex-cuse me
Kya!
I'm a murderer.

Welcome home~~

They're talking about our case.
Did you see the news?



This?
I undid it myself.
It's just that I didn't want to use that for a toilet.
Chewed through it with my teeth.

Itsuki ...
This?

They blabbed something about it on the news just now.
If we had cable, we'd be able to watch news 24/7.

Anyway, did you buy me cake?
Sensei ~♡
Uhhh...

I'm sorry ...
I forgot.
It's mysterious.
Ehhhh ~!
Alright, alright
I'll go buy some now
It seems I feel better just because this girl is here.

Hmmm?
Buy them for me.
I want to eat donuts too.
By the way, Sensei,

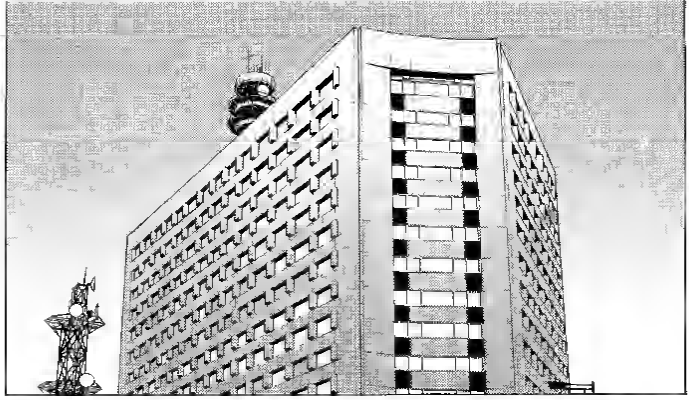
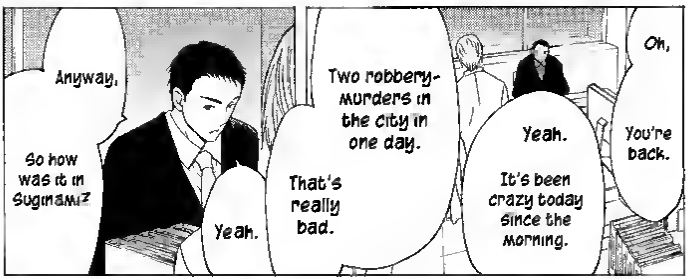
Ehhh-?
Alright ...
But can you stop calling me Sensei?





Oh,
You're back.
Yeah.
It's been crazy today since the morning.
Two robbery-murders in the city in one day.
That's really bad.
Yeah.
Anyway,
So how was it in Sugimami?

It was strange.
Strange?
Looks like there used to be someone living in the basement.
And there were several locks on the door,
Like someone had been locked up there.

And then, after looking into it, we found out the victim had an 18 year old daughter.
She hasn't attended school since she was eight, and she was reported as a runaway when she was fifteen.
But she didn't really run away, she had been locked up all this time.
I've sent some hairs we found in the basement for a DNA test.
The person from the basement
Either witnessed the incident, or had some sort of a connection to it, I think.
If we find out that it was his daughter, we'll search for her as an essential person of interest in the case.

It's scary-

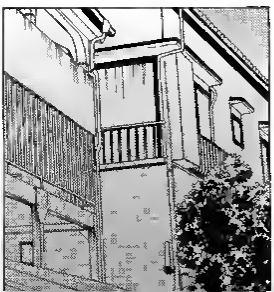
But she said "I'm scared of going outside" ...
If a small child is locked up in the basement for 10 years
Wouldn't that be natural?

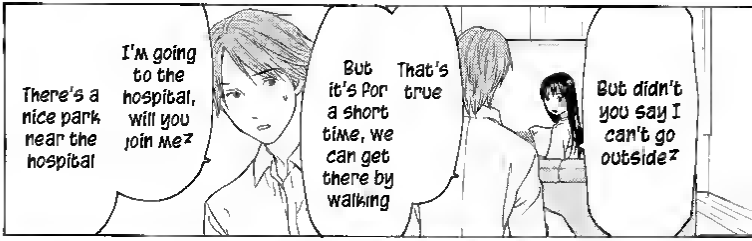
Aren't you doing the same thing?

.....

I'm home
Wel-come back-



Say
On Sunday
Do you want to go out with me?



But didn't you say I can't go outside?
That's true
But it's for a short time, we can get there by walking
I'm going to the hospital, will you join me?
There's a nice park near the hospital

Can I?
If it's with you, then I want to go, Sensei

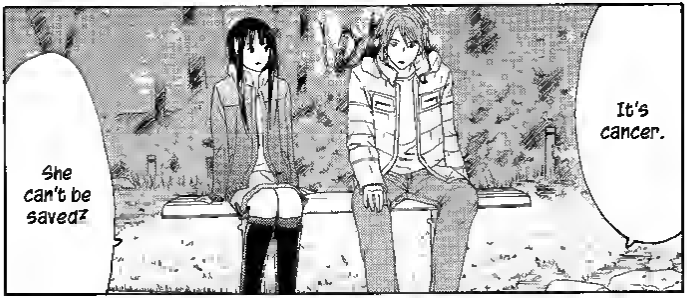
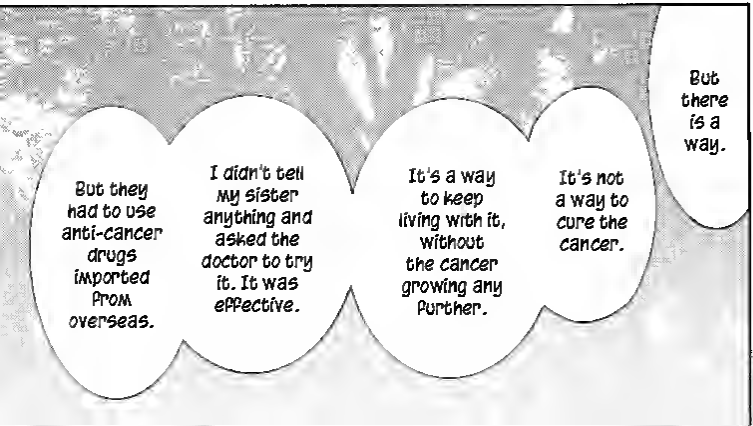
Chapter 7: Butterfly Effect <1>



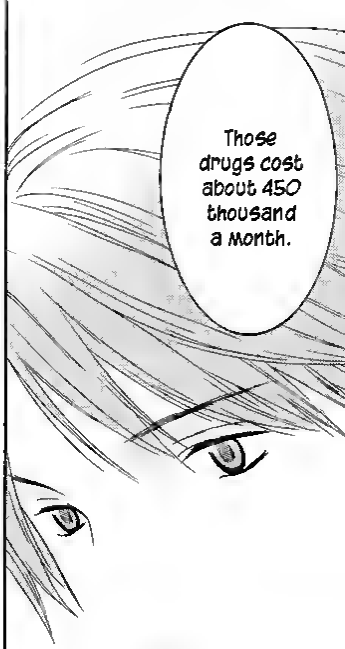
It's cancer.
She can't be saved!

That's what she thinks...
... That's right.
She can't be saved if nothing is done.

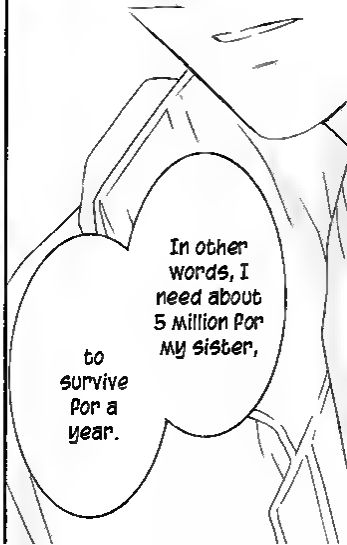


But there is a way.
It's not a way to cure the cancer.
It's a way to keep living with it, without the cancer growing any further.
I didn't tell my sister anything and asked the doctor to try it. It was effective.
But they had to use anti-cancer drugs imported from overseas.

Should I continue to kill evil people,
in order for my sister to live?
A hundred Million for 20.
Fifty Million for 10 years.



Those drugs cost about 450 thousand a month.



In other words, I need about 5 Million for my sister,
to survive for a year.

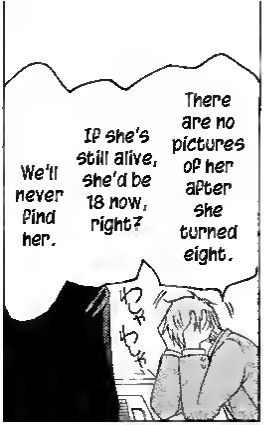
Sensei.
You should kill them.

You saved me, sensei.
You didn't do anything bad.
You're an ally of justice.
If it's for Onee-san's sake,
ギュッ
I'll help you too.
Okay?

Okay.

Ahhh!
What's wrong?
I thought I finally had a clue.
I received the DNA test results for the hair found in the basement.
It's clear that there was a parent-child relationship with the victim
and that she's female.
No doubt it was his daughter.
But the only photo we have, is this.
Just this.
She's a child.

ポン
Ugh-
Do your best.
I'm going home.



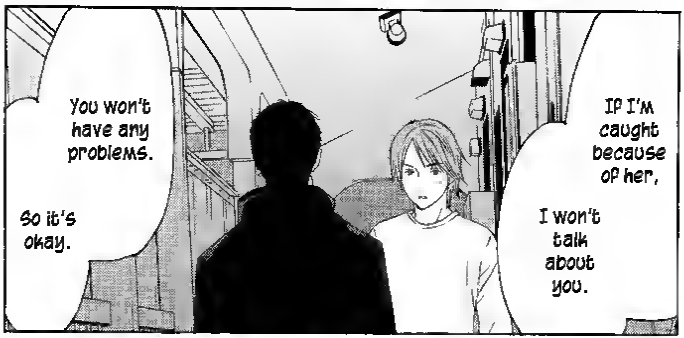
There are no pictures of her after she turned eight.
If she's still alive, she'd be 18 now, right?
We'll never find her.
わなわな

I came to check on things.
I'M coming in.
Eh...
Hey.
Uh...
Next time?
.....
Hey, Sensei.
I want to wear this the next time we go out.
♡

Didn't I tell you not to let her outside?
Yeah.
Where did you go?
You didn't see anyone, did you?
I'm sorry ...
But it's fine. No matter where we went or who we saw.
You be quiet.
Ku-zumi.
This girl is al-right.
She won't run away.
She'll become our ally.
.....
Step outside for a moment.
Eh?

I told you to keep her on a tight leash.
What if she's the one that has you on a leash?
.....
Do you want to get caught?
You need to be careful.
Where did you take her?
.....
To my sister's place ...The hospital, and the park next to it.
.....
Don't tell me you let your sister meet her.
I did.

I want to kill you.
Kuzumi,
I'm responsible for her.
She's a good girl.
Just a bit odd.



If I'm caught because of her,
I won't talk about you.
You won't have any problems.
So it's okay.

.....

Yes.
Bububu
I'd like to talk to you about the next job.
Can you come to that same karaoke place as last time?
Shiki-san is there too, isn't he?
That makes it easy for me.
